

# Springtime with the Amish

The variety of plants you will find as you browse Miller's Greenhouse and the Salemville Greenhouse will make your head spin and the prices will make you grin!

There will be plenty of time to shop for all your botanical needs. We will be making stops at a few bakerys, a cheese factory and Mishler's Country Store. At Mishler's you will find unique items in bulk as well as a wide assortment of other special gifts.

We will be the guests in one of the Amish households for a sit down home cooked country dinner complete with desserts. Come hungry!!

Space is limited to 50 people so sign up today!

Mothers Day is May 12, 2013
